

**Material Handling Hose Group**

**Heavy Duty PVC Food Grade Suction Hose with Grounding - 45 PSI**

Heavy duty food grade suction hose for dry or wet materials and a built-in grounding wire which eliminates static electricity when properly connected.

Hose complies with applicable FDA and 3A requirements and USDA for use in meat and poultry plants.

Clear PVC and clear helix allows for visual confirmation of flow.

Smooth bore eliminates build-up and clogging.

Highly flexible.

Standard length is 100 feet. 6" also available in 20' standard lengths.

Bend radius is double the ID size.

**Tech Data:**

Construction: Clear PVC with exposed clear PVC right-hand helix with grounding wire  
 Safety Factor: 3:1  
 Temperature: -4°F to 150°F  
 Marking: GROUNDED FOOD GRADE SUCTION HOSE - <ID> - LOT  
 Compliance: FDA, USDA, 3A.
