

**Petroleum Hose Group**  
**NBR Suction Hose - up to 50PSI**

Heavy duty all weather suction hose for general oilfield, water, wastewater, septic and manure.

Service life varies with media being conveyed.

PVC helix prolongs hose life over rough surfaces.

High flexibility. Lightweight. Floats

**Tech Data:**

Construction: NBR/PVC tube with a PVC helix  
 Safety Factor: 3:1  
 Temperature: -40°F to 140°F  
 Vacuum Rating: 29.8 in/HG
