

Cinch and Hanging Straps for wire cable and hose organization

- Ultrasonic welded seams.
- All seams tested.
- Designed for bundling and hanging of wires, cables, hoses and tubing.
- Has a small amount of expansion margin. Allows for hose expansion. Safer than cable ties for the hose or cable outer layer.
- No tools required to install.
- Straps may be combined to lengthen.
- Excellent UV resistance.
- Standard duty model uses Delrin buckle.
- Heavy Duty uses a nickel plated steel buckle.
